Have ever taken a course online before?
Keith Millner | 7.21.99 4:13:06 pm

More and more people are taking courses online. If you are one of the
pioneering types who has been down this road before, perhaps you have
experiences or advice to offer those who are now joining you in this new
academic environment.

1. With online courses you do not have daily contact with your professor. Does this mean all online courses are self-paced? (1 point (s))

  ○ Yes
  ○ No

← **984**

2. Match the following terms with the correct definition. (3 point(s))

E-mail	1) This synchronous form of communication can take place with the entire class, a small group, or a private meeting between my professor and me. In this type of communication, everyone involved must be logged in at the same time.
Syllabus	2) This is what I would use to contact a fellow student(s) and/or the professor, without the message becoming a permanent part of the course.
Online	3) My instructor may use one of these to communicate due dates for the course, and other

Entry Title - FirstName LastName
This is the best journal entry that I have ever written. It is neat that this entry has been
entered and stuff is really fun now.
